

PRESIDENT'S MESSAGE

When I was first licensed as an attorney, membership with the local Bar Association appeared to be a must. Today, I do not believe that perception is true anymore. With hundreds of attorneys practicing in our local jurisdiction, together with the increasing rise of incivility in our profession, there is certainly a need for an organization that "... encourages a culture of integrity, honor, collegiality, professionalism, and civility among the bar and the bench, promotes justice and fair play in the legal system..." To accomplish these noble goals, we as a bar should encourage all local attorneys to become active members of our bar and promote a culture of collegiality and civility among the bar and the bench. Incidents of incivility are rarer when you take the time to get to know and interact with your fellow colleagues on a personal level.

The Virginia Beach Bar Association has been busy this year. Our directors, Allison Anders and Ryan Ferguson, have presented an impressive slate of CLEs. Fortunately, our year is not yet complete and I encourage you to attend our last CLE of 2019, "The Ethics of Cybersecurity: Practical and Budget-Friendly Tips for Lawyers" scheduled for October 30th. This CLE will not only provide the elusive two hours of Virginia ethics credit hours we all are required to attend, but should be both informative and entertaining, as well. The VBBA has begun the process of planning next year's CLEs. The most difficult challenge in scheduling a full slate of CLEs is planning topics and arranging speakers that cover the many diverse practice areas of our members. To that end, any suggested topics of interest to your practice are always welcomed and encouraged.

Our Committee Chairs and Vice Chairs are a vital part of the success of the VBBA and these committees have planned many excellent programs. The VBBA Juvenile & Domestic Committee just recently completed its annual full day of CLEs. The event was well planned and the topics were comprehensive and instructional. The VBBA Young Lawyers Committee has scheduled a social hosted by the Hon. Kevin Duffan. For young lawyers there is not a better event to network with your colleagues and the bench. Professional relationships forged at these events could last your legal career. The 21st Annual Richard G. "Dick" Brydges Courthouse Classic Golf

SHORT CIRCUITS

Tournament is scheduled this year for October 25th. This is another excellent opportunity to broaden your professional relationships and, perhaps, play a little golf. I cannot thank the hard work of our Committee Chairs and Co-Chairs enough.

The VBBA is known as a social organization. This year we have proudly continued in that tradition. The VBBA has hosted numerous happy hours throughout the year along with our Annual Banquet which was held at the Princess Anne Country Club on June 22nd. This memorial evening was full of good food, fellowship, and good music. For those who missed this year's event, plan on attending next year, we promise you will not regret it. Our annual Holiday Party will take place on December 6th at Tautog's Restaurant. Bring a toy for Toys for Tot and come share a cocktail with your fellow colleagues to help spread well wishes and good cheer, all while donating to a worthy cause.

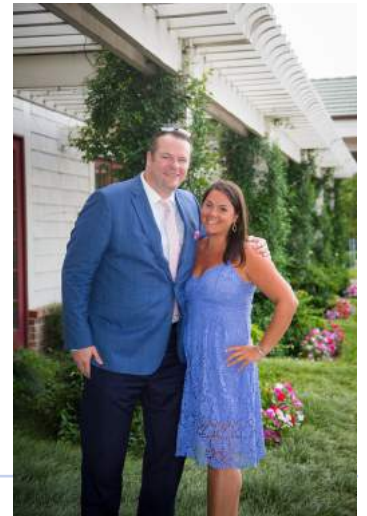

Please know that the board is committed to ensuring the Bar is a great investment for all its members and we encourage you to reach out to us to offer your suggestions, comments, or concerns about how we might improve the Bar Association for years to come.

Virginia Beach Bar Association*

REAL TRIAL LAWYERS PAY MILLIONS OF DOLLARS IN REFERRAL FEES EVERY YEAR

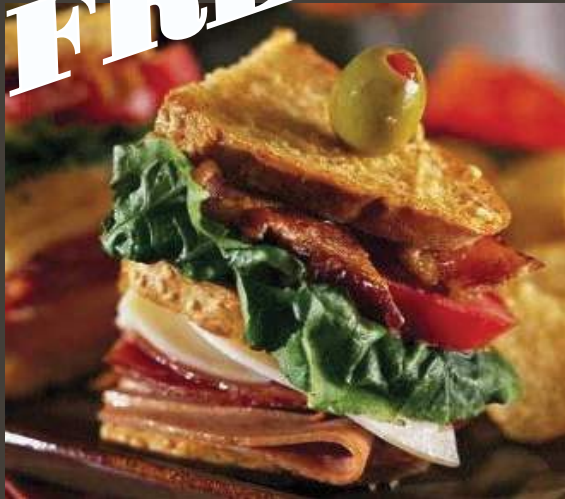

Don't refer your case to a lawyer who is NOT a TRUE TRIAL lawyer. Many lawyers simply settle cases and pay referral fees. Insurance companies never pay the full value on cases to lawyers who don't have a proven trial record. REAL trial lawyers work harder and pay millions in referral fees annually. We take on complex, sophisticated cases all over the country. As we celebrate our 70th year of helping people, refer your case to our EXPERIENCED TRIAL LAWYER TEAM and let us win the actual true value of your case.

SHORT CIRCUITS

NOTICE FROM THE VIRGINIA BEACH CIRCUIT COURT REGARDING DIVORCE AND DOMESTIC RELATIONS CASES

As a result of a meeting with the domestic relations bar, and after discussion by the judges as a group, the court restates and/or amends the following policies:

- Friday “contested” divorce docket and in-home separation cases: the court will schedule up to four of these types of divorces in available one hour Friday Contested Divorce Docket slots.
- Scheduling domestic relations cases on the duty docket: If it is a pendente lite hearing, if both counsel write to the Chief Judge and ask that the matter be set on the duty docket, it can be approved for up to a two hour hearing. For other domestic relations issues, if both sides agree, any judge can approve setting the matter on the duty docket for up to two hours.
- Issues with availability of judicial settlement conference judges: the judges have been made aware that there is limited availability of settlement conference judges so that scheduling a settlement conference is difficult. The court will be more sensitive to the necessity of settlement conferences so as to not delay trials.
- Assignment of complex equitable distribution cases: the court will continue the practice of assigning these upon request by both parties made to the Chief Judge.
- Issues with final decrees being returned for limited corrections without being reviewed in their entirety by the law clerks (“not otherwise reviewed”): this only occurs in particular situations, and the court will continue to monitor this.
- Issues with requiring service of amended complaints: if the original complaint states grounds, any amendments will not have to be re-served.

Reminder: As stated in the court’s Contested Divorce Procedures Manual, the Virginia Beach Divorce Pretrial Order is required for use in contested divorces. Only that order should be submitted, not the Uniform Pretrial Scheduling Order (which is for general civil matters, not divorces), or both pretrial orders.

NOTICE FROM HON. ROBERT G. MACDONALD, CHIEF JUDGE, CHESAPEAKE GENERAL DISTRICT COURT ISSUANCE OF SUBPOENAS IN AUTOMOBILE ACCIDENT CASES

In automobile accident cases, many attorneys and defendants appear on the first return date merely to set a date for trial, so that the witnesses/victims can be subpoenaed to appear. Concerns have been raised by the Bar, as well as defendants, on our current procedure. In response to the concerns, the Court is modifying the procedure relating to traffic summonses involving an automobile accident.

The following procedure will be effective on January 1, 2020:

When an officer issues a summons at the scene of accident, they will subpoena any necessary witness to appear in court at the same time. The officer will provide the defendant with a copy of DC-217, VIRGINIA PREPAYABLE OFFENSES INFORMATION SHEET. The DC-217 contains language advising the defendant, “If you were involved in an accident and desire to plead NOT GUILTY and have your case heard on the date set, please notify the court by checking the not guilty box and return this form to the court within 7 calendar days...” For those defendants who notify the court and do not request a continuance, the case can be heard on the original trial date. For those defendants who do not notify and simply appear in court, the case can proceed on the original trial date. Only in those instances where the defendant wishes to plead not guilty and wishes to change the date will the witnesses have to be called off and re-subpoenaed.

If you have any questions, please contact us.

Thank you.

VBSO ANNOUNCES UNIVERSAL SECURITY SCREENING FOR VIRGINIA BEACH COURTHOUSE

In an effort to improve public safety, the Virginia Beach Sheriff's Office is implementing universal security screening for all persons entering the Virginia Beach Courthouse effective Monday, Aug. 12, 2019. Only sworn public safety officers on official business will be exempt from screening. All other persons – including attorneys and civilian employees assigned to work inside the Courthouse – will be required to be screened.

The change is as a result of ongoing efforts to improve security at the Courthouse, which is one of the most heavily trafficked public buildings in the city. Security enhancements have been ongoing since the Sheriff's Office conducted an extensive threat assessment of the building in 2017, followed by a subsequent security review in February 2019.

"Public safety is our first priority at the Virginia Beach Sheriff's Office," said Sheriff Ken Stolle. "We understand that this change may be inconvenient, but we have to prioritize safety above convenience. We must also be proactive and ever-vigilant in fulfilling our obligation to safeguard the hundreds of people who come into the Courthouse every day."

Security staffing will be increased to facilitate the additional screenings. However, members of the public should give themselves additional time to get through security when

reporting for a court hearing or other time-sensitive matter. Everyone entering the Courthouse will be searched with a magnetometer and their belongings screened by an X-ray machine. As always, weapons (including knives and firearms), large liquids (with the exception of baby formula and small items such as hand sanitizers) and electronic devices (including cellphones) are prohibited inside the Courthouse. Public safety officers, attorneys, reporters and employees with required credentials will still be permitted to bring their cellphones, laptops, etc. into the building. Security personnel retain the right to prohibit any item they deem a potential threat to public safety.

"We will do everything we can to make our enhanced security screening process as efficient as possible," said Chief Deputy Rocky Holcomb. "You can help by giving yourself some extra time, leaving unnecessary items at home and being prepared to be searched. We appreciate everyone's patience and understanding as we work to make the Courthouse as safe as it can be."

Additional information about Virginia Beach Courthouse security is available at vbso.net/security.

Any questions or requests for additional information may be directed to: Kathy Hieatt, Public Information Officer: 757.385.8446.
